

Andrew Hucher

Lead Web Designer at eBizUniverse Website Design & Internet Marketing/SEO

Phone: 773-808-1532
Address: 6047 W 64th Place Apt 9
Chicago, Illinois 60638
Website: <http://andrewhucher>
Email: ahucher86@gmail.com

As Lead Web Designer at eBizUniverse I communicate with clients about their needs for anything that has to do with their website. This can include design, development, hosting, email, SEO, maintenance, and much more. I create websites using WordPress CMS, or just HTML websites. I work with WHM/cPanel. I create graphics and edit images using the Adobe Suite. I have created emails, banners, logos, flyers, business cards, and much more.

EXPERIENCE

eBizUniverse Website Design & Internet Marketing/SEO

September 2013 - Present

Lead Website Designer

As Lead Website Designer I work closely with clients to help achieve their needs as a presence on the web. I update, maintain, and develop new and existing websites and content for our clients online marketing needs. I help guide clients to have a website that generate leads and perform on-site SEO.
